The Avenza Marble Tile Collection transcends time. Combinations of classic black and white marble result in iconic patterns. The collection integrates classic and contemporary shapes to construct immemorial designs. With its selection of premium-honed white marble tiles, slabs, and decorative components, it has all the pieces to construct the interior of your dreams.

The marble of this collection is finely honed (lightly polished to a low sheen). With patterns ranging from metro tile shapes to traditional hexagons, the Avenza Marble Collection has almost endless application options. Stately, refined, and versatile, this collection will be a mainstay in all environments, from traditional to minimalist.

## Usage

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
- Shower Floors / Walls
- Backsplash

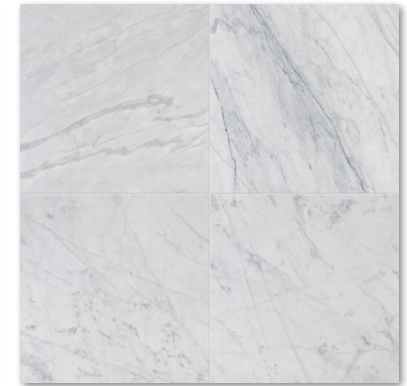

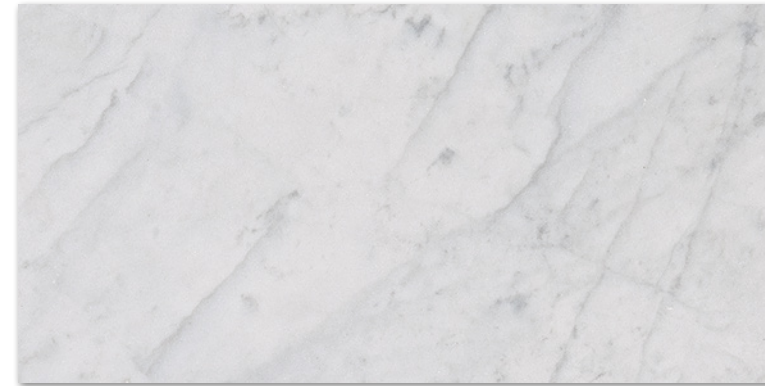

V3 - Moderate Variation: While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the number of colors on each piece may vary significantly. For example "that little bit of color" on piece of tile may be the primary color on the next piece.
