MARBLE SYSTEMS

# black

With subtle white veining in an ebony surface, the Black Marble Collection is the definition of sophistication, elegance, and allure. Its reflective surface evokes impressions of classic to contemporary floors and walls.

This collection has endless possibilities. There are options for precision-cut sizes and shapes as well as customizable mosaics. From penny-round to hexagonal shapes, the mosaics of this collection are highly varied. For a uniform, monochromatic look, class tiles are also available. 3-dimensional mouldings will create a rich finishing touch.

The Black Marble Collection is perfect for coordinated floors, walls, and countertop applications in both residential and commercial settings. We particularly recommend this product for backsplashes, interior walls and floors, and showers. With such variation, there are endless possibilities available.

## Usage

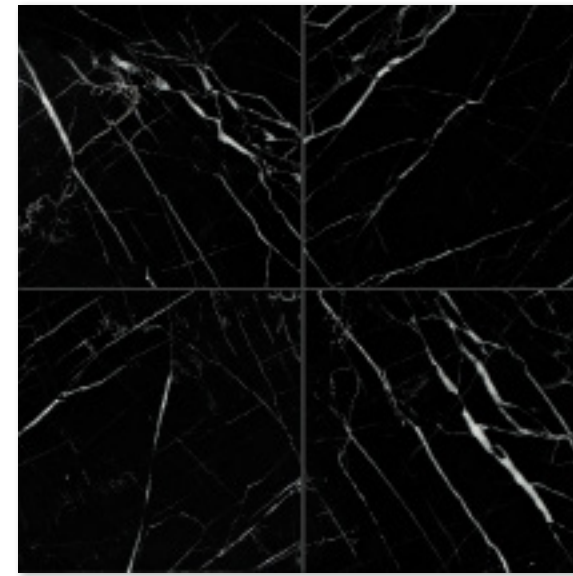

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
- Shower Floors / Walls
- Backsplash

V2 - Slight Variation: Clearly distinguishable differences in texture and/or pattern within similar colors.
