desmond blend glossy mosaic straight joint 1"x1"

chicklet ceramic

If you like your design fresh and juicy, these are the mosaics for you! Nine favorite Country Floors ceramics get a new and delicious re-mix as mosaics in our Chicklets Collection. Abstract patterns from great names in American interior design join patterns from our own design studio in this fun and colorful mosaic. Among the highlights you'll spot favorites from our Julia Buckingham line such as the pink-peppercorn stylings of Kiss Me Quick, and a best seller from our Sue Firestone collection brings that coastal vibe home. Mix these with their larger tile versions or with a solid field. Either way, they will refresh any room.
