MARBLE SYSTEMS

escala

Erin Adams is renowned for her tile designs with good reason. A case in point is the Escala Waterjet Collection, a reference to the Spanish word for “scales.” This collection of luxury marble mosaics combines one of the most organic patterns, scales, with a respectful homage to mid-century design icon Giovanni “Gio” Ponti.

In tandem pieces, the Modern Scale Mosaic forms a diamond, updating the ancient pattern for a contemporary interior. In turn, the Oval Scale Mosaic consists of a narrow diamond between elongated ovals. Both mosaics intricately balance the soft and the angular.

The Escala Waterjet Collection is suitable for all indoor vertical and horizontal applications.

Usage

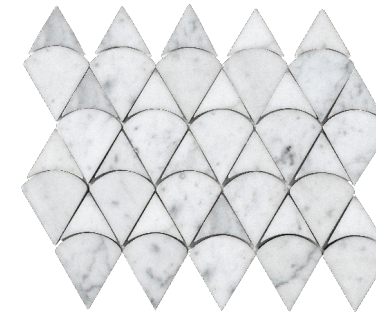

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
- Shower Floors / Walls
- Backsplash

V2 - Slight Variation: Clearly distinguishable differences in texture and/or pattern within similar colors.

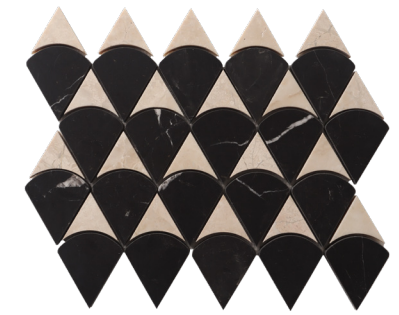

floor / wall tiles

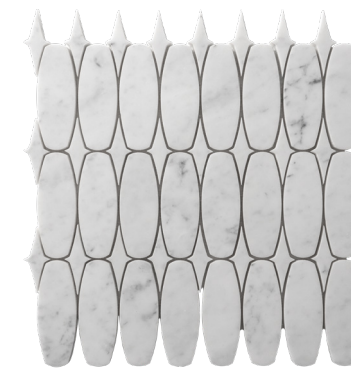

XSC01001 modern scale
