haisa light

The Haisa Light Marble Tile Collection has a light grey striped finish that's both subtle and complex. It's perfect for adding depth and variation to modern monochromatic designs or pacifying vibrant multi-colored configurations.

This collection comes in a range of tiles, slabs, mosaics, and moldings. They include precision-cut sizes, artfully-crafted mosaics, and 3-dimensional moldings for a rich finishing touch.

For a cohesive, stylish look, we recommend matching your bathroom flooring with the vanity surface by using the same marble. A coordinated look transmits precision, cleanliness, and minimalism. With slab, tile, and mosaic options, this collection allows for exact perfection.

The Haisa Light Marble Tile Collection is ideal for coordinated floor and wall applications in both residential and commercial settings. Both traditional and contemporary, this is a stone for all ages.
