Our Iceberg Marble Tile Collection is the ideal clean slate on which to craft your next project. With a brilliant white hue that evokes early-morning frost, this selection of marble is simultaneously striking and harmonious.

This collection has a range of tiles, mosaics, and moldings. There are many size options and 12 exciting mosaic patterns available. The mosaics include patterns of monochromatic white or eclectic white-blue and white-gold combinations.

Due to its hard-wearing characteristics, this marble offers outstanding durability, making it perfect for high-traffic interior spaces. The Iceberg Marble Tile Collection is a perfect choice for any residential or commercial design project.

## Usage

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
- Shower Floors / Walls
- Backsplash

V3 - Moderate Variation: While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the number of colors on each piece may vary significantly. For example "that little bit of color" on piece of tile may be the primary color on the next piece.
