marrakesh

The Marrakesh Decorative Marble Collection is inspired by the eponymous walled Moroccan city that has a rich architectural history and intricate decorative style derived from a melding of cultures.

We celebrate the splendor of this culture by delivering three patterns in a contemporary palette of gorgeous marble stones. We crafted these mosaics using waterjet technology for a pristine design with a clean-cut edge. They're certain to become the mesmerizing focal point of any room.

This collection is available on a special order basis, made to measure. It's also available by template, which is fully customizable from our expansive collection of stones.

The Marrakesh Decorative Marble Collection is suitable for interior residential & commercial wall or floor applications.
