The mid-twentieth century is renowned as one of the most iconic design eras in United States history. Our Mod Glam Decorative Marble Collection honors this renowned period with a selection of glamorous black-and-white mosaics with gold accents.

Celebrated by scholars, museums and art aficionados, mid-century modern style has touched all of our lives. This collection has elements from interior and architectural developments from this era. It includes six unique water jet patterns, named after the master influencers of this design period.

The Mod Glam Decorative Marble Collection is available by template or made to measure on a special order basis. It's fully customizable with options from our expansive collection of stones. It's suitable for interior residential and commercial wall and floor applications. The mosaics with brass are suitable for dry applications only.
