The Palazzo Marble Collection blends antique and contemporary styles to create a timeless, one-of-a-kind look. These 12x12 marble mosaics are inspired by the stunning tiles located in the grand palazzos of Italy. They have an asymmetrical diamond pattern that recalls elegant art deco trends and mid-century styles. With a honed finish and classic neutral tones, it's perfectly adaptable for a wide array of interiors. Consisting of four mosaics made from Bianco Dolomiti, Calacatta Viola, Calacatta Amber, and Black Honed marble, the Palazzo Marble Collection is ideal for residential and commercial wall and floor installations, including kitchen backsplashes and bathrooms. Install these stylish, sophisticated tiles as an accent wall or adorn your bathroom floor for an elegant transformation
