# stonehill

Step upon the smooth and understated tiles of the Stonehill Porcelain Collection. Consisting of six sophisticated cement-look and stone-look designs, these porcelain tiles embody industrial modernity. Consider installing these tiles in the transitional space of your loft apartment or in the open-concept kitchen of your organic modern home. Suitable for residential and commercial interior floor and wall installations, including wet areas and kitchen backsplashes, the Stonehill Porcelain Collection is incredibly versatile.

## Usage

- Backsplash
- Bath Floors / Walls
- Commercial Interior Floors / Walls
- Residential Interior Floors / Walls
- Shower Floors / Walls
