# textura paver

The Textura Paver Collection offers a range of textured marble mosaics in irregular sizes. It's ideal for exterior applications, such as garden paths, walkways, and patios.

This collection includes 12 different marble patterns. It highlights the timeless look and versatility of igneous rock timeless with a color palette inspired by the impressive variety of nature's minerals. The irregular sizes of the tiles create an organic look with intriguing variation for added complexity.

The Textura Paver Collection can applied to interior and exterior residential and commercial projects. Due to their rough texture, the tiles have a non-slip finish perfect for wet areas like poolsides.
