There's something instantly soothing about the Thin Fluted Tile Collection. Available in a selection of stunning natural marbles, these finely crafted fluted tiles offer an atmosphere of sophistication and refinement. The delicate veins of the marble weave below the surface, creating a whirlpool of shades highlighted by the tile's ridged surface. The tiles encompass a spectrum of colors, from vivid snowy whites to deep, inky violets.

The Thin Fluted Tile Collection is suitable for commercial and residential interior wall applications, including shower walls and backsplashes.
